## Hunting Scavengers

Congratulations to our winning team of scavengers! Last month 12 teams competed at Golden Eagle Park to win the Ultimate Scavenger Hunt. It was held Wednesday, June 12 during the Party In the Park program. The winning team of Josh Snyder, Ryan Dotzler and Matt Hinitt received free t-shirts, prizes and a pizza party in their honor for accumulating the most items in the shortest amount of time.

This was the first of many future Scavenger Hunts to come. To learn more about this exciting event, call Corey Hromek at 816-5170.

# Brand New Year For MYC

The Mayor's Youth Council will begin its fourth campaign to get the youth of Fountain Hills actively involved in the community this August. Starting August 21, the MYC will meet to plan events, organize community service opportunities, arrange meetings with local elected officials and put together its special events for the year ahead.

There is no fee to join. Simply fill out the application provided by Parks and Recreation! This group serves as a great opportunity for students to complete their required community service hours, as well as work with other students who are dedicated to making the most of their time outside of the classroom.

For more information about this exceptional group call the group's advisor, Corey Hromek, at 816-5170. Applications are available now at the Parks and Recreation office at Town Hall in Building A. They will also be available to you at the front desk at the high school once school starts.
